Dear Parents and Carers,

We are writing to inform you that as part of strategic planning for the future of Charter Primary, the governing body have been considering whether our school should remain within the Local Authority or join a Multi Academy Trust (MAT).

Over the past few months the governing body have listened to presentations from trusts and visited other schools to find out about their experiences of joining and working within a MAT (Multi Academy Trust) as part of carrying out due diligence in this matter .

Based on the information we currently have, we have decided to continue to seek further information and we will be writing to you shortly to share what we know and invite your views and questions.

For some of these meetings and presentations we have been working with our colleagues at both Abbeyfield School and Kings Lodge School.

We want to reassure you that so far this process has been one of seeking more information and no firm decision has been reached at this stage. However, we feel that it is important that we keep you up to date.

We look forward to both sharing and hearing your views in the near future.

Kind regards

Sarah Flack Kelvin Wells
